About the Report

The 'India CSR Outlook Report (ICOR), an annual research publication of NGOBOX, presenting in-depth analysis of CSR spend of big companies in previous financial year. The 2017 report is third such annual publication after 2015 and 2016. The report provides an in-depth analysis of CSR spend of big 370 companies in FY 2016-17. The report visualizes a few important curves of CSR landscapes in India, entirely based on the actual CSR spending data of these companies. While at the time of its release on 18th Sept. 2017, this is the first such analysis of CSR spend of this large number of companies in FY 2016-17..

These 370 companies account for more than 2/3rd of total CSR spend in India, making it a big sample size for any such study and analysis

The 370 Companies selected in this report were selected on the basis of the following criteria:

- I. INR Cr or above prescribed CSR in FY 2016-17
- II. Listed on BSE or subsidiary of a BSE-listed company
- III. Availability of data by 10thSept. 2017
